Welcome! Write GT Academy is a growing, virtual learning group with a growing list of partners, communities and programs. We consult, mentor, inspire and motivate as we Continue Higher Education (CHE) with our families. We bring industry leaders who are experts in their field to deliver the best programs and solutions that the community needs. We are excited to enroll your students into our newest program, Write GT Academy which has tutored hundreds of students since inception is trusted by parents and students nationwide as the preferred tutoring system online and rank Top 10 on tutoring marketing places. Here's what we do:

- Lecture series (using classroom style learning, the lead tutor lectures students online)
 - o Ask questions, write answers to the instructor's questions and masters concepts
 - o We use a college style lecture environment giving you early exposure on what to expect after high school graduation
- Extended Quizzes – we use Quizziz.com and other software for extended practice to enhance your learning experiences.
- Deeper learning of concepts, abstract applications and appreciation for it
- Historically, students will complete with an A average and move on to Continuing Higher Education (CHE)
- Students who achieve high scores are eligible to gain volunteering hours as TAs
- Turn your laptop, mobile device or iPad into *digital school supplies* where you can use your account in school, at home or with your friends!

How it works:

Using an online paint tool, the tutor works with students to delivered unparalleled education.
